

Dear Deborah,

I send you

8 pieces of Stamped morocco,
to make pocket books - things such
as Mary Congdon had. The stamp
goes inside I suppose. - & 3 little
ones for pin-balls. If you want
"More straw, man," let me know.

Night & wrong will come to you
Next week: the first of the week.

It is out of my hands, & thankful
am I.

Yours for the poor
bleeding slave.

MME
